OBJECTIVE

I want to create the scripts that would make video games playable for everyone; as well as enjoyable for everyone.

PROGRAMMING LANGUAGES

Python
C++
JavaScript
Java
Bash (Unix/ Linux Shell Scripting)
HTML
SQL

EXPERIENCE

IT CO-OP • UNIVERSITY OF PENNSYLVANIA • 3/2017 – 7/2017
My roles were to help the professors and graduate students with any technical issues they would have on a day-to-day basis: (not limited to)
Network errors, Printer Issues of any kind, responding to emails and phone calls in a timely manner, as well as any troubleshooting problems they may have had with programs they used and AV issues.

FRONT END SALES MONITOR • WEIS MARKETS • 12/2014 – 8/2015
Assisted costumers with any issues they may have had with either the store or the employees. Handled the money for transfers to the bank as needed. Also, supervised the employees with any questions they had and any extra help they may have needed.

EDUCATION

HIGH SCHOOL DIPLOMA • 6/2015 • NEW OXFORD HIGH SCHOOL
GPA: 4.11 (on a 4.8 scale)
Studied: 4 years of Java as well as 3 years of French

DREXEL UNIVERSITY • 9/2015 – 7/2017
GPA: 3.31 (on a 4.0 scale)
Important Classes:
Computer Programming I, II, III
Advanced Programming Strategies

PROJECTS

Independent Game Project:
- Worked as project manager and developer
- As project manager, I kept everyone on track with deadlines
- As developer, I made the combat systems as well as some of the AI for the enemies.
