OBJECTIVE

I intend on one day working with video games for a career. Either as a developer or possibly as a localizer

SKILLS

Languages:
Python
C++
JavaScript
Java
Bash
HTML

Also:
Japanese – Basic (Still learning)

EXPERIENCE

IT CO-OP • ANNENBERG SCHOOL FOR COMMUNICATION • 3/2017 – ???
My roles were to help out the professors and students with computer related problems. As well as helping out the other staff with whatever they would need

FRONT END SALES MONITOR • WEIS MARKETS • 12/2014 – 8/2015
I helped customers with whatever problems they may have had. As well as whatever problems the cashiers had. I also collected money from the cashiers to keep money in drawers low.

EDUCATION

HIGH SCHOOL DIPLOMA • 6/2015 • NEW OXFORD HIGH SCHOOL
GPA: 4.11
Studied: 4 years of Java as well as 3 years of French

DREXEL UNIVERSITY • 9/2015 - ???
GPA: 3.31
Important Classes:
Computer Programming I, II, III
Advanced Programming Strategies
Japanese I, II
